

## How to install 3rd party App on IT82

www.akuvox.com

techsupport@akuvox.com

To install 3<sup>rd</sup> party app on IT82, user needs to prepare a SD card which stores with app's .apk file. Insert the SD and do the following steps to finish the installation process.

i. Change the permission mode to Admin mode:

Go to Settings  $\rightarrow$  System Info  $\rightarrow$  Version, then press **User Permission** 10 times and select **Admin mode**.
