

Ascom Myco

Approved accessories for optimized mobile workflows

Use Ascom approved accessories to maximize the performance and get the most value out of your Ascom Myco smartphone. Whether you want to personalize your device by adding or removing the carrying clip - or to increase uptime with spare batteries and multi-bay charging racks - we have just what you need.

Maximize uptime and workflow continuity

With a fleet of spare batteries, wall mountable battery/handset charging racks you can ensure staff always have fully charged devices on hand. Combined with the Myco battery hot-swap feature and ensure zero downtime for your mobile workforce.

Maximize handsfree productivity

Add an Ascom tested and approved headset with cable mic. Or use the boom headset, together with its quick-disconnect adapter.

Screen protection for extra durability

Help maximize the lifetime of your Ascom Myco smartphones with screen protectors. These protectors help ensure optimal viewing and user interface with the high-definition screen

Make it personal, keep it close

Use color-coded tags to quickly identify specific Ascom Myco smartphones. Spare back covers with optional carrying clips are also available.
